GOSPEL MESSAGE

In today's gospel, despite his wisdom and the miracles, Jesus was rejected by his own people. But this is not a sign of failure. Jesus teaches us that unwelcomeness and resistance should not stop us. *"Thorn in the flesh"* deepens our faith and deepens our connection to God.

MESSAGGIO DEL VANGELO

Nel vangelo di oggi, nonostante la sua saggezza e i miracoli, Gesù fu rifiutato dal suo stesso popolo. Ma questo non è un segno di fallimento. Gesù ci insegna che la non accoglienza e la resistenza non devono fermarci. La "spina nella carne" approfondisce la nostra fede e il nostro legame con Dio.

UPDATE ON PARISH RENOVATIONS

The Parish Rectory flooring has been updated throughout the main level area. All carpeting has been removed and replaced with easy to maintain laminate flooring. This project was completed several weeks ago.

New windows for the Rectory have been ordered and will be installed as soon as they are received by the contractor. This was a necessary expense as the existing windows are very old and their inefficiency contribute to the high utility costs for heating and air-conditioning.

We continue to count on the help and generosity of all parishioners with respect to these expenses.
